

Semcon extends its co-operation with Nokia – Signs co-operation agreement with Nokia Danmark A/S

Semcon is extending its co-operation with Nokia through Semcon Danmark A/S and Nokia Danmark A/S signing an agreement making Semcon the preferred supplier of consultancy services to Nokia's Research & Development centres in Denmark.

Semcon Danmark A/S sees this agreement as a breakthrough in establishing Semcon as the preferred supplier of consultancy services in Denmark in the Telecom and Industrial Engineering sectors.

"We are pleased and proud that Nokia Danmark A/S has chosen Semcon Danmark A/S as partner and preferred supplier," says Lennard Lat, CEO, Semcon Denmark A/S. "The agreement, which will initially run for two years, positions Semcon as a strong partner to industry on the Danish market and will contribute to us being able to reach our targets faster, and be one of the leading design and development companies in Denmark," he concludes.

The Danish agreement came into effect on 1 May 2002.
